UI - UX designer (specialist UI designer) for 3 years.
Graphic designer for 3 years.

I love designing and lay outing. These interests helping me a lot in my job.

I am good and creative at working with Figma and XD and Photoshop.

In my previous jobs, I tried to solve problems as soon as possible and use the guidance of our team leader to improve the project, and I was always eager to learn new things and following the company's strategy and goal.

I always enjoy helping my colleagues and communicating with them and I appreciate the help of others and always try to have a happy work environment.
